Dear Owners & Guests,

Attached please find a copy of your room charges. Please review it on Friday and contact the front desk for any questions you may have, in order to speed up your Checkout on Saturday morning. You may settle your account on Friday evening or Saturday morning early in order to prevent long lines at 10:00 a.m.

As we require an inventory check to be done before your departure, you have a choice to do this yourself by signing off the inventory sheet when giving it to the Front Desk upon checkout, thus giving us the right to charge any discrepancies to your credit card.

We would appreciate it very much if you would adhere to the checkout times, as you too like to check into a clean as soon as possible.

On Friday afternoon you may sign up at the Front Desk for a changing room for Saturday per half hour per couple.

Please call the Front Desk for any assistance with your luggage and also to store this if needed.

You may also request taxi service at the Front Desk. Please allow 10 or 15 minutes for the taxi to pick you up after you request this.

We wish you a safe trip back home and look forward to having you here with us again in the near future.

Sincerely

The Towers at Mullet Bay

Management.
